

# OUR VISIT TODAY, INCLUDES:

## Profile

### Information

This is the time to update your call list and your contact information. A new certificate of installation is on record.

## Batteries

### Performance

Our routine battery testing was performed to safeguard against any failure(s) of the sensor false alarming and to prevent any unnecessary site-checks.

## Devices

### Devices

Any bad devices that failed during inspection were replaced and are covered under the new service warranty agreement.

## Communicator

### Network

The communicator have been check and replaced with the latest firmware. Signals are no longer sent to Moni in Dallas, Texas.

## Rates

### Rate Lock

Monitoring rates have gone back down to their initial rate with the new 60 months quality service plan. This rate will not increase during your term.

## Billing

### Monitoring Service 877.934.8326

WE DO NOT use Monitronics who has now changed to Brinks out of Dallas, Texas anymore.

To prevent double billing a cancellation letter must be sent out to Moni Cancellation Department, P.O.Box 814530, Dallas, Texas 75381. Cancellation will only be accepted in writing.

Items to include: Account holder name, full address, date, password, signature.

By signing my name below, I certify that I have read the above information. Any questions concerning these changes have been discussed. My signature also certifies my understanding of and agreement with the above new terms. I understand I am responsible in sending out the cancellation letter. A photocopy of this document is as valid as the original.
